The CTETE listserv is a forum for sharing information, questions, and comments with fellow technology teacher educators and researchers around the world. Although subscription to the CTETE listserv is voluntary, we encourage all CTETE members to subscribe, and welcome others who are interested in technology and engineering teacher education. You must be a list subscriber in order to send or receive messages.

**To Subscribe**

Send an email to the listserv manager ([hoepflmc@appstate.edu](mailto:hoepflmc@appstate.edu)) and ask to be added to the group.

**To Post a Message**

Address your message to: [group-CTETE@appstate.edu](mailto:group-CTETE@appstate.edu)

**To Unsubscribe**

Send an email to [group-CTETE+unsubscribe@appstate.edu](mailto:group-CTETE+unsubscribe@appstate.edu). You will be unsubscribed.

**Responding to Messages**

This is an unmoderated list. If you want to reply globally to a listserv posting, simply hit "Reply." If you wish to only respond to the original sender, make sure to put that individual's address in the "To" line and remove the listserv address. As with any listserv, please check before sending to avoid the message going to recipients you didn't intend.

**Questions?** Contact the list manager, Marie Hoepfl, at: [hoepflmc@appstate.edu](mailto:hoepflmc@appstate.edu)
